

## TEAM LONE STAR

### Academic Team

Academic teaming allows for academic teachers to teach a common group of students and team policies. This enables the team to coordinate the curriculum to better meet the needs of the students.

### Communications

You may access team information, as well as teacher webpages on our school website. <http://csms.csisd.org>

### Team Rules

- Be in your seat, working, when the tardy bell rings.
- Stay on task and follow directions the first time given.
- Be respectful to others and their property.
- Wait to be recognized before speaking.
- Follow all rules as stated in the student handbook.

### Consequences

1<sup>st</sup> *infraction* – a warning

2<sup>nd</sup> *infraction* – 30 minute teacher detention and parent contact by detention slip

3<sup>rd</sup> *infraction* – 45 minute teacher detention and parent contact

All other infractions will be referred to the grade level principal. These consequences also apply to tardies.

### Assignments

Each week teachers will post daily assignments and students will be responsible for recording them. Only major grades will be communicated to parents by the weekly Lone Star Email Blast. Please make sure your email is up to date with Ms. Ahmed in the counselor's office.

### Late Work Policy

Team Lone Star follows the grading policy set by the district guidelines.

### Grading Policy

Major work, such as tests and projects, will count 2/3 of the six week average. Daily work, such as homework and in class activities, will count 1/3 of the six week average. We encourage students who score less than 75% on major work to seek tutoring.

### Tutorials

Tutorial schedules may vary by teacher. Please check the team website for the most current schedule:

<https://sites.google.com/a/csisd.org/lonestar/home/tutorials>
